Project Details

Planning Number	2023/00949/Ful
Project Number	LD24-049
Client	Welsh Government
Date	11/03/2025
Author	Tuck M (MCifA)
HER Search No.	9086 (13/11/2024)
Grid Reference	ST 011 688 (centre)

The report is presented in two parts, Part A the descriptive text and Figures
and Part B, the photographic catalogue with direction figures.

This Document is Part B

Front Cover: Building 361 South Elevation

Plates

Bldg. 354. Cinema, church, gymnasiums, fitness suite, swimming pool and pump room	Pages 24 to 155
Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B)	Pages 156 to 229
Bldg. 377. Mechanical Engineering Training Workshop	Pages 230 to 302
Bldg. 371. Support Engineering Services	Pages 302 to 324
Bldg. 348. Ambulance Storage	Pages 324 to 333
Bldg. 375. Crew Room	Pages 333 to 339
Bldg. 355. Toilet Block	Pages 340 to 348

BUILDING 354.

Plate 1. Bldg. 354. North elevation. Swimming pool to right, note larger roof lights	24
Plate 2. Bldg. 354. North elevation, external wall of cinema	24
Plate 3. Bldg. 354. North elevation. East door and ventilation louvre for cinema	25
Plate 4. Bldg. 354. North elevation. Typical brick Art Deco style doorway	25
Plate 5. Bldg. 354. East elevation south extent	26
Plate 6. Bldg. 354. East elevation centre section.....	26
Plate 7. Bldg. 354. East elevation north extent	27
Plate 8. Bldg. 354. East elevation. Main door to stone gym.....	27
Plate 9. Bldg. 354. East elevation. Cinema side entrance with wooden.....	28
Plate 10. Bldg. 354. East elevation Astra cinema entrance	28
Plate 11. Bldg. 354. East elevation. Close up photograph of the cinema north entrance.....	29
Plate 12. Bldg. 354. East elevation. Modern covered passage (left) and plant room (right).....	29
Plate 13. Bldg. 354. South elevation, west half. Faith centre doors and windows.....	30
Plate 14. Bldg. 354. South elevation, east half. Fitness suite doors and windows.....	30
Plate 15. Bldg. 354. South elevation western doorway to the Multi-Faith Centre.....	31
Plate 16. Bldg. 354. South elevation main doorway to the Chaplaincy and Multi-Faith Centre	31
Plate 17. Bldg. 354. South elevation. Main doorway to the Fitness Suite.....	32
Plate 18. Bldg. 354. South elevation, east corner with brickwork repairs.....	32
Plate 19. Bldg. 354. West elevation.....	33
Plate 20. Bldg. 354. West elevation, swimming pool changing room windows	33
Plate 21. Bldg. 354. West elevation, northern blocked hangar opening with double doors.....	34
Plate 22. Bldg. 354. West elevation, swimming pool main entrance	34
Plate 23. Bldg. 354. West elevation conservatory entrance to gymnasium offices	35
Plate 24. Bldg. 354. West elevation folding metal doors with guide rail under the canopy	35
Plate 25. Bldg. 354. West elevation. Brick repairs and Inserted window, northwest corner.....	36
Plate 26. Bldg. 354. Swimming pool. General view to from the gymnasium entrance	36
Plate 27. Bldg. 354. Swimming pool. View from the balcony toward the southeast corner.....	37
Plate 28. Bldg. 354. Swimming pool north elevation.....	37
Plate 29. Bldg. 354. Swimming pool east elevation.....	38
Plate 30. Bldg. 354. Swimming pool west elevation.....	38
Plate 31. Bldg. 354. Swimming pool south elevation	39
Plate 32. Bldg. 354. Swimming pool diving boards and steps to the viewing balcony	39
Plate 33. Bldg. 354. Swimming pool balcony view to south	40
Plate 34. Bldg. 354. Swimming pool balcony northeast corner and steps	40
Plate 35. Bldg. 354. Swimming pool balcony view to south along the main elevation behind the screening	41
Plate 36. Bldg. 354. Swimming pool	41
Plate 37. Bldg. 354. Swimming pool male changing room	42
Plate 38. Bldg. 354. Swimming pool female entrance with fire doors behind to the exterior	42
Plate 39. Bldg. 354. Swimming pool blocked shower entrance.....	43
Plate 40. Bldg. 354. Swimming pool typical roof, trusses and rooflights (view to west).....	43
Plate 41. Bldg. 354. Swimming pool wind bracing girder adjacent to the north elevation (view to west)	44
Plate 42. Bldg. 354 Pool plant room with doorway to the pool and hand basin with boiler and bowl facility	44
Plate 43. Bldg. 354 Pool plant room with doors to pumping room and segregated CO2 room. Note loft hatch.	45
Plate 44. Bldg. 354 Pool plant room east elevation showing blocked opening.....	45
Plate 45. Bldg. 354 Pool pumping room. Office on right hand side. View south from doorway.....	46
Plate 46. Bldg. 354 Pool pumping room west elevation to south	46
Plate 47. Bldg. 354 Pool pumping room west elevation chemical mixing bay	47
Plate 48. Bldg. 354 Pool pumping room west elevation chamber.....	47
Plate 49. Bldg. 354 Pool pumping room west elevation plinths and motors	48
Plate 50. Bldg. 354 Pool pumping room west elevation plinths, motors and piping.....	48
Plate 51. Bldg. 354 Pool pumping room west elevation cylinders	49
Plate 52. Bldg. 354 Pool pumping room west elevation crane rail.....	49

Plate 53. Bldg. 354 Pool pumping room south elevation false windows	50
Plate 54. Bldg. 354 Pool pumping room east elevation platform and plinth	50
Plate 55. Bldg. 354 Pool pumping room tank	51
Plate 56. Bldg. 354 Pool pumping room pipework and platform	51
Plate 57. Bldg. 354 Pool pumping room north elevation entrance steps and platform.....	52
Plate 58. Bldg. 354 Pool pumping room north elevation window, ladder and platform.....	52
Plate 59. Bldg. 354 Pool pumping room, view to south from window in north elevation	53
Plate 60. Bldg. 354 Cinema foyer, kiosk and pay box	53
Plate 61. Bldg. 354 Cinema foyer, central plinth and passage to corridor	54
Plate 62. Bldg. 354 Cinema foyer front doors.....	54
Plate 63. Bldg. 354 Cinema. Office room off foyer with safe	55
Plate 64. Bldg. 354 Cinema. Office room with safe	55
Plate 65. Bldg. 354 Cinema. WC facility adjacent to the office room.....	56
Plate 66. Bldg. 354 Cinema, storeroom off foyer	56
Plate 67. Bldg. 354 Cinema. Auditorium door	57
Plate 68. Bldg. 354 Cinema. Side entrance passageway.....	57
Plate 69. Bldg. 354 Cinema. Electrical gear in small room south side of side entrance passageway.....	58
Plate 70. Bldg. 354 Cinema. Small room south side of the side entrance passageway.....	58
Plate 71. Bldg. 354 Cinema. Entrance to the second storey from north side of the side entrance passageway .	59
Plate 72. Bldg. 354 Cinema. Second storey staircase and landing	59
Plate 73. Bldg. 354 Cinema. Second storey south room.....	60
Plate 74. Bldg. 354 Cinema. Second storey south room second room.....	60
Plate 75. Bldg. 354 Cinema. Second storey, view to projection room door.....	61
Plate 76. Bldg. 354 Cinema. Projection room, view to south	61
Plate 77. Bldg. 354 Cinema. Projection room. Doorways to the atrium (centre) and back room (right)	62
Plate 78. Bldg. 354 Cinema. Projection room west wall showing portholes	62
Plate 79. Bldg. 354 Cinema. Projection room. Blocked opening (left) and doorway to back room. View southeast.....	63
Plate 80. Bldg. 354 Cinema. Projection room backroom east wall and dormer opening.....	63
Plate 81. Bldg. 354 Cinema. Projection room backroom splicing table and doorways to projection room and north room	64
Plate 82. Bldg. 354 Cinema. Room north of the backroom view to northeast.....	64
Plate 83. Bldg. 354 Cinema. Room north of the backroom, door to atrium, view to northwest	65
Plate 84. Bldg. 354 Cinema. Atrium view to south and projection room doorway and ducting	65
Plate 85. Bldg. 354 Cinema. Atrium view north and door to stairwell (blue) and door to north back room (green)	66
Plate 86. Bldg. 354 Cinema. Atrium view north to roof level	66
Plate 87. Bldg. 354 Cinema	67
Plate 88. Bldg. 354 Cinema stairwell with atrium in background.....	67
Plate 89. Bldg. 354 Cinema north room box ducting over the stairwell and northeast fan room to right.....	68
Plate 90. Bldg. 354 Cinema northeast room Blackman fan housing.....	68
Plate 91. Bldg. 354 Cinema northeast room Blackman fan housing and belt drive	69
Plate 92. Bldg. 354 Cinema northeast room regulator	69
Plate 93. Bldg. 354 Cinema basement room with plinths, and shelf with tapered edge in the southwest corner	70
Plate 94. Bldg. 354 Cinema basement room with north elevation entrance door and enclosed wind girder frame	70
Plate 95. Bldg. 354 Cinema lower basement room alcove and narrow passage under the staircase.....	71
Plate 96. Bldg. 354 Cinema pay box.....	71
Plate 97. Bldg. 354 Cinema auditorium. View	72
Plate 98. Bldg. 354 Cinema auditorium. Projection room elevation with portholes and ventilation grills	72
Plate 99. Bldg. 354 Cinema auditorium view to east.....	73
Plate 100. Bldg. 354 Cinema auditorium. View from projection room	73

Plate 101 Bldg. 354 Cinema auditorium north side original seating area now used for storage	74
Plate 102. Bldg. 354 Cinema auditorium north side original seating area between fire exits. Note central heating pipes in above floor level (foreground)	74
Plate 103. Bldg. 354 Cinema auditorium north side showing raised platform at rear and boxed radiators.....	75
Plate 104. Bldg. 354 Cinema auditorium south side showing original seating areas, view to east. Note stepped brickwork top of wall pillars	75
Plate 105. Bldg. 354 Cinema auditorium south side showing original seating areas, view to west. Note stepped brickwork top of wall pillars	76
Plate 106. Bldg. 354 Cinema auditorium south side showing blocked fire exit.....	76
Plate 107. Bldg. 354 Cinema auditorium south side showing blocked opening.....	77
Plate 108. Bldg. 354 Cinema auditorium stage with cinema screen and shrouds in centre. View to north.	77
Plate 109. Bldg. 354 Cinema auditorium stage south steps	78
Plate 110. Bldg. 354 Cinema auditorium stage showing the supporting screen framework and stanchion (right)	78
Plate 111. Bldg. 354 Cinema auditorium stage steel column (manufacturer Skinningrove England)	79
Plate 112. Bldg. 354 Cinema auditorium stage. X- frame bracing and boxed pillar support.....	79
Plate 113. Bldg. 354 Cinema auditorium stage. Photo showing blocked doorway (to pumping room lobby), metal floor plates and ladder to second storey room	80
Plate 114. Bldg. 354 Cinema auditorium stage upper storey room view northwest	80
Plate 115. Bldg. 354 Cinema auditorium stage upper storey room steelwork and pipes, view southwest. Note cut pipes	81
Plate 116. Bldg. 354 Cinema auditorium stage upper storey room. view southeast showing door to ladder and window overlooking the pump room	81
Plate 117. Bldg. 354 Cinema auditorium stage blocked opening to pool pump room in west wall.....	82
Plate 118. Bldg. 354 Cinema auditorium stage north elevation	82
Plate 119. Bldg. 354 Cinema auditorium hand crank wheel at ceiling level above the stage. View east.....	83
Plate 120. Bldg. 354 Cinema auditorium hand cranked wheel in the ceiling above the stage. View north.....	83
Plate 121. Bldg. 354. Stone Gymnasium. View to south.....	84
Plate 122. Bldg. 354. Stone Gymnasium. View to southeast.....	84
Plate 123. Bldg. 354. Stone Gymnasium. View to southwest.....	85
Plate 124. Bldg. 354. Stone Gymnasium. View to north.....	85
Plate 125 . Bldg. 354. Stone Gymnasium. View to northeast	86
Plate 126 . Bldg. 354. Stone Gymnasium. View to northwest	86
Plate 127. Bldg. 354. Stone Gymnasium. North elevation blocked opening to cinema	87
Plate 128. Bldg. 354. Stone Gymnasium. North elevation blocked doorway to cinema	87
Plate 129. Bldg. 354. Stone Gymnasium east elevation. Blocked doorway at left	88
Plate 130. Bldg. 354. Stone Gymnasium east elevation. Climbing wall.....	88
Plate 131. Bldg. 354. Stone Gymnasium east elevation, central section.....	89
Plate 132. Bldg. 354. Stone Gymnasium east elevation. Main entrance door at south	89
Plate 133. Bldg. 354. Stone Gymnasium east elevation. Main entrance door at south, view on leaving	90
Plate 134. Bldg. 354. Stone Gymnasium east elevation. Main entrance door at south, view on entering	90
Plate 135. Bldg. 354. Stone Gymnasium south elevation changing rooms	91
Plate 136. Bldg. 354. Stone Gymnasium south elevation with WC and double doors to storeroom (left) and changing room door in the corner angle	91
Plate 137. Bldg. 354. Stone Gymnasium south elevation plant room.....	92
Plate 138. Bldg. 354. Stone Gymnasium south elevation. Esat changing room with doorway to WCs.....	92
Plate 139. Bldg. 354. Stone Gymnasium south elevation changing room.....	93
Plate 140. Bldg. 354. Stone Gymnasium south elevation changing room. Door to gymnasium to right	93
Plate 141. Bldg. 354. Stone Gymnasium south elevation. East changing room WC facilities	94
Plate 142. Bldg. 354. Stone Gymnasium south elevation west changing room door to gymnasium	94
Plate 143. Bldg. 354. Stone Gymnasium south elevation west changing room benches	95
Plate 144. Bldg. 354. Stone Gymnasium south elevation, typical shower facility	95

Plate 145. Bldg. 354. Stone Gymnasium south elevation west changing room blocked opening to the Fitness Suite.....	96
Plate 146. Bldg. 354. Stone Gymnasium south elevation storeroom.....	96
Plate 147. Bldg. 354. Stone Gymnasium south elevation east WC suite from gymnasium.....	97
Plate 148. Bldg. 354. Stone Gymnasium south elevation door to Fitness Suite antechamber.....	97
Plate 149. Bldg. 354. Stone Gymnasium west elevation.....	98
Plate 150. Bldg. 354. Stone Gymnasium west elevation.....	98
Plate 151. Bldg. 354. Stone Gymnasium west elevation.....	99
Plate 152. Bldg. 354. Stone Gymnasium west elevation.....	99
Plate 153. Bldg. 354. Stone Gymnasium west elevation.....	100
Plate 154. Bldg. 354. Stone Gymnasium west elevation.....	100
Plate 155. Bldg. 354. Wood Gymnasium view to north and the offices.....	101
Plate 156. Bldg. 354. Wood Gymnasium view to south and the Church/Faith centre.....	101
Plate 157. Bldg. 354. Wood Gymnasium view to north and two-storey offices. Squash courts to right.....	102
Plate 158. Bldg. 354. Wood Gymnasium staircase (west flight) to office upper storey.....	102
Plate 159. Bldg. 354. Wood Gymnasium. Entrance corridor to the swimming pool.....	103
Plate 160. Bldg. 354. Wood Gymnasium. Generator in the northwest corner.....	103
Plate 161. Bldg. 354. Wood Gymnasium. Ground floor office adjacent to the pool corridor. View south.....	104
Plate 162. Bldg. 354. Wood Gymnasium. Largest of the ground floor offices with stable doors.....	104
Plate 163. Bldg. 354. Wood Gymnasium. Small office at east with window to pool.....	105
Plate 164. Bldg. 354. Wood Gymnasium. Small office at east adjacent to the squash court corridor with window to pool.....	105
Plate 165. Bldg. 354. Wood Gymnasium. Second storey small office (west) over the pool corridor. View to south.....	106
Plate 166. Bldg. 354. Wood Gymnasium. Second storey room adjacent to the west room with shared hatchway.....	106
Plate 167. Bldg. 354. Wood Gymnasium. Second storey central room of the five with a window to the pool. Note. Four plates for fasteners for the pool screen to right of window.....	107
Plate 168. Bldg. 354. Wood Gymnasium. Second storey eastern room. View to south.....	107
Plate 169. Bldg. 354. Wood Gymnasium. Second storey east room kitchen facility. Note. Four plates for fasteners for the pool screen to right of centre.....	108
Plate 170. Bldg. 354. Wood Gymnasium. Second storey east room blocked doorway with the squash court viewing balcony.....	108
Plate 171. Bldg. 354. Wood Gymnasium. The southern court of the two squash courts with balcony above and blocked doorway to the second storey office.....	109
Plate 172. Bldg. 354. Wood Gymnasium. The northern court with blocked openings (centre top left) to the swimming pool pump room.....	109
Plate 173. Bldg. 354. Wood Gymnasium. Squash courts, view to northeast.....	110
Plate 174. Bldg. 354. Wood Gymnasium. Squash court corridor. View to south.....	110
Plate 175. Bldg. 354. Wood Gymnasium east elevation (south).....	111
Plate 176. Bldg. 354. Wood Gymnasium east elevation (centre) with doorway to stone gym.....	111
Plate 177. Bldg. 354. Wood Gymnasium east elevation (north).....	112
Plate 178. Bldg. 354. Wood Gymnasium east elevation view to south showing equipment attached to the walls.....	112
Plate 179. Bldg. 354. Wood Gymnasium east elevation view to south showing equipment attached to the walls and steelwork.....	113
Plate 180. Bldg. 354. Wood Gymnasium east elevation view to east through the main doors and the stone gym.....	113
Plate 181. Bldg. 354. Wood Gymnasium south elevation (east side).....	114
Plate 182. Bldg. 354. Wood Gymnasium south elevation (centre) with large folding doorway to the church/Faith centre.....	114
Plate 183. Bldg. 354. Wood Gymnasium south elevation (west side) showing the single doorway to the changing facilities and the PEd Fit Classroom in the corner with netting over.....	115

Plate 184. Bldg. 354. Wood Gymnasium. Physical Education Flight Briefing room. View to north.....	115
Plate 185. Bldg. 354. Wood Gymnasium. Physical Education Flight Briefing room. Blocked doorway to the Church/Faith Centre children's soft play area	116
Plate 186. Bldg. 354. Wood Gymnasium. PEd Fit Classroom. Note blocked doorway top centre	116
Plate 187. Bldg. 354. Wood Gymnasium. PEd Fit Classroom. Note blocked doorway top right with pipes.....	117
Plate 188. Bldg. 354. Wood Gymnasium. PEd Fit Classroom. View to west.....	117
Plate 189. Bldg. 354. Wood Gymnasium. Corridor to WCs and shower facilities. View to south	118
Plate 190. Bldg. 354. Wood Gymnasium. Male WCs in the southern room. View to southwest.....	118
Plate 191. Bldg. 354. Wood Gymnasium. Male showers in the southern room. View to east.....	119
Plate 192. Bldg. 354. Wood Gymnasium. Central shower room and recess. View to southwest	119
Plate 193. Bldg. 354. Wood Gymnasium. Central shower room screen divider.....	120
Plate 194. Bldg. 354. Wood Gymnasium. Female WCs. View to west.....	120
Plate 195. Bldg. 354. Wood Gymnasium. West elevation south side.....	121
Plate 196. Bldg. 354. Wood Gymnasium. West elevation central section with main door and office.....	121
Plate 197. Bldg. 354. Wood Gymnasium. West elevation north section with doorway in infilled hangar opening	122
Plate 198. Bldg. 354. Wood Gymnasium. West elevation folding doors.....	122
Plate 199. Bldg. 354. Wood Gymnasium. West elevation office foyer.....	123
Plate 200. Bldg. 354. Wood Gymnasium. West elevation office	123
Plate 201. Bldg. 354. Wood Gymnasium. West elevation foyer front doors to the exterior. View to west.....	124
Plate 202. Bldg. 354. Wood Gymnasium. West elevation view to north, showing metal cages and the dip in the floor	124
Plate 203. Bldg. 354. Wood Gymnasium. Roof detail over the Ped classroom. View to west	125
Plate 204. Bldg. 354 Church/Faith Centre nave and folding doors to the gym. View to north	125
Plate 205. Bldg. 354 Church/Faith Centre altar and chancel. View to south.....	126
Plate 206. Bldg. 354 Church/Faith Centre. Altar, nave and door to west room. View to southwest	126
Plate 207. Bldg. 354 Church/Faith Centre. Altar, nave and door to east rooms. View to southeast	127
Plate 208. Bldg. 354 Church/Faith Centre. Nave, folding doors and doorway inserted between the organ surround. View to northeast	127
Plate 209. Bldg. 354 Church/Faith Centre. Nave, folding doors and doorway to the west room. View to northwest	128
Plate 210. Bldg. 354 Church/Faith Centre. Typical Gothic window arch west elevation.....	128
Plate 211. Bldg. 354 Church/Faith Centre. Gothic window in east elevation adapted with children's picture, and doorway to east rooms.....	129
Plate 212. Bldg. 354 Church/Faith Centre. East elevation decorative organ (removed) surround with RAF and 1941 carved into the wood at the head of the columns and faux organ pipes above	129
Plate 213. Bldg. 354 Church/Faith Centre. East elevation decorative organ (removed) surround with RAF and 1941 carved into the wood at the head of the columns and faux organ pipes above. View to northeast	130
Plate 214. Bldg. 354 Church/Faith Centre. Doorway into the west lobby. Multi Faith door on left, WCs door to right	130
Plate 215. Bldg. 354 Church/Faith Centre. Doorway from west lobby to the Lounge.	131
Plate 216. Bldg. 354 Church/Faith Centre. Corridor to WCs and shower.....	131
Plate 217. Bldg. 354 Church/Faith Centre. WC and baby changing facility	132
Plate 218. Bldg. 354 Church/Faith Centre. Shower room cupboard	132
Plate 219. Bldg. 354 Church/Faith Centre. Male WCs	133
Plate 220. Bldg. 354 Church/Faith Centre. Male WCs	133
Plate 221. Bldg. 354 Church/Faith Centre. Multi faith room view to south	134
Plate 222. Bldg. 354 Church/Faith Centre. Multi faith room blocked opening in plasterboard- brick to left	134
Plate 223. Bldg. 354 Church/Faith Centre. Lounge room view north to the Meeting Room	135
Plate 224. Bldg. 354 Church/Faith Centre. Lounge room view south showing lobby doors, blocked opening to left (plasterboard) and blocked recessed opening (right)	135
Plate 225. Bldg. 354 Church/Faith Centre. Lounge room blocked recessed opening with corbelled top, view west	136

Plate 226. Bldg. 354 Church/Faith Centre. Meeting room with door to nave and infilled (plasterboard) opening (left) part of the wider hangar opening of which the nave folding doors are in the centre	136
Plate 227. Bldg. 354 Church/Faith Centre meeting room Gothic window and doors to the Lounge	137
Plate 228. Bldg. 354 Church/Faith Centre east lobby doors and doorway to kitchen.....	137
Plate 229. Bldg. 354 Church/Faith Centre east lobby doors to Font Seating Area	138

BUILDING 361.

Plate 265. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation view to southeast	156
Plate 266. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation (behind modern buildings), view to southwest	156
Plate 267. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). East elevation view to southwest	157
Plate 268. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). East elevation, south section, view to northwest.....	157
Plate 269. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). South elevation, view to northwest	158
Plate 270. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). South elevation, west section, view to east	158
Plate 271. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation, view to northeast	159
Plate 272. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation, view to southeast	159
Plate 273. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B) roof detail. View to north with vents from Zone 5 north Prep area and Pipe Bay.....	160
Plate 274. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B) roof detail showing tiles, central gutter and roof lights. View to east	160
Plate 275. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B) roof detail showing tiles and roof lights. View to southeast.....	161
Plate 276. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation showing central section fan housing and ducting, and fire door inserted into a window reveal. View to south.....	161
Plate 277. Bldg. 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation showing main door to Zone 4. View to southwest.....	162
Plate 278. Bldg. 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). East elevation showing spiral staircase and door to second storey Classroom 1. View to west	162
Plate 279. Bldg. 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation central section showing glass block windows over the modern bay. View to west.....	163
Plate 280. Bldg. 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation central section showing main doors to Zone 4 in blocked in hangar opening under the canopy. Modern door to GSE Support Bay to left. View to west.....	163
Plate 281. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation north section showing access ladder to the roof and modern Battery Shop buildings abutting the original elevation. View to west	164
Plate 282. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). South elevation east side showing main door to Zone 4, windows and fan house and ducting to left	164
Plate 283. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). South elevation showing blocked windows and a new window to the CNC Pipe Bay (Classroom 7) in Zone 5	165
Plate 284. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). South elevation west side showing blocked original doorway under the canopy and a new door to the CNC Programming room in Zone 5. View to east	165
Plate 285. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation central and south sections. Note the infilled original window enlarged to ground level and fitted with a single door and the ladder to the roof between the windows. View to east.....	166
Plate 286. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation central section main doors to Zone 5 north (left) and Zone 5 south (right). Note the glass block windows in the blocked hangar opening and two infilled window openings between them and newer door to right in an original window position. View to east	166

Plate 287. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation, north section showing adapted window frames and infilled doorway. View to east.....	167
Plate 288. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation, north section showing adapted windows and external bays. View to east.....	167
Plate 289. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. View to northwest showing general west elevation with flight control room and north elevation Lab and Crew rooms	168
Plate 290. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. View to northeast showing general north and east elevations	168
Plate 291. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. View to southeast showing main door to Zone 4 general east and booths along the south elevation	169
Plate 292. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. View to southeast showing general east and booths along the south elevations..	169
Plate 293. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. View to southwest showing blocked doorway to Zone 5 north and brick pier alongside scale.....	170
Plate 294. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. Lab room showing radiators, view to east.....	170
Plate 295. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. Lab room showing north elevation windows, later fire door and ventilation hoses, view to northwest.....	171
Plate 296. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. Crew room showing kitchen facility along east elevation. View to east.....	171
Plate 297. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. General view of offices to north	172
Plate 298. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. General view of office B (left) lobby centre and Office C (right). View to north	172
Plate 299. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. General view of office A with main door to hangar and view of the east elevation entrance door. View to southeast	173
Plate 300. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. General view of office B. View to north.....	173
Plate 301. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. General view of Male WCs along west elevation	174
Plate 302. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Entrance lobby, view to east and sliding window to Office C.....	174
Plate 303. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Entrance lobby view to south and the workshop	175
Plate 304. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Entrance lobby view to west and door to disabled WC.....	175
Plate 305. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. View to west of disabled WC.....	176
Plate 306. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office C, view to west showing sliding window to the lobby, angled corner and door to the workshop.....	176
Plate 307. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office C, view to east showing electrical fittings. The northeast corner X-frame lies behind the wall.....	177
Plate 308. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office D entrance, view to east	177
Plate 309. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office D general view of east elevation. View to east	178
Plate 310. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office E door, view to east. EWTF TRG MGR ELECT above door.....	178

Plate 311. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office E door, view to east with boarded hatch to Office F.....	179
Plate 312. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office F door, view to east.....	179
Plate 313. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office F door, view to north with boarded hatch to Office E.....	180
Plate 314. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Overall view of Zone 4 central section showing east elevation main doors and floorspace. View to northeast.....	180
Plate 315. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast, view to south.....	181
Plate 316. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast, office two storey classroom block and door to lobby anteroom.....	181
Plate 317. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast. View south under stairwell.....	182
Plate 318. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast anteroom with doors to Classroom 2 and the Power room. View to east.....	182
Plate 319. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room passage. View to east.....	183
Plate 320. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast stairs to Classroom 1. Classroom 2 door on right. View to north.....	183
Plate 321. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast lobby doors. View to southeast.....	184
Plate 322. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room with X-frame bracing on east wall. View to east.....	184
Plate 323. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room electrical boxes. View to south.....	185
Plate 324. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room ladder to gantry. View to west.....	185
Plate 325. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room gantry showing electrical motors and piping and centre of X-frame. View to southeast.....	186
Plate 326. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room gantry, view to west from gantry over the offices and training areas.....	187
Plate 327. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast storeroom. View to south (south elevation wall).....	187
Plate 328. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Classroom 2. View to northeast.....	188
Plate 329. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Classroom 2. View to southeast.....	188
Plate 330. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Classroom 1 and fire door to spiral staircase. View to southeast.....	189
Plate 331. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Classroom 1 view of west wall and door to box room over the stairs. View to west.....	189
Plate 332. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Passage between classrooms 3-5 (left) and workshops (right). View to west.....	190
Plate 333. Bldg. 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Passage to the Instrument Testing Room with offices H and G (left) and Motors/generators workshop wall to right. View to north.....	190
Plate 334. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom 3 south and west elevations. View to southwest.....	191
Plate 335. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom 4 south and west elevations. View to southwest.....	191
Plate 336. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom 5 east half of room. View to east.....	192

Plate 337. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom 5 view to west. Blocked doorway with Office H adjacent to the corner (right)	192
Plate 338. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Office H view to south showing blocked doorway with Classroom 5	193
Plate 339. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Office G, view to south	193
Plate 340. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Office G, view to north	194
Plate 341. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Instrument Testing Room, view to southeast showing double doors from the south passageway. Office G to right.....	194
Plate 342. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Instrument Testing Room, view to southwest with Office G wall (left) and the west elevation (right) the main north-south partition wall	195
Plate 343. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Instrument Testing Room, view to northwest with main partition wall (left) and wall with Zone 4 northwest (right). The brick pier shared with Zone 5 visible to left of scale partition	195
Plate 344. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Instrument Testing Room, view to northeast showing doorway to the Classroom Office and partition wall with Zone 4 northwest	196
Plate 345. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom Office view of east elevation and main doors	196
Plate 346. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom Office view of south and west elevations. View to southwest.....	197
Plate 347. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom Office view of west elevation and door to Instrument Testing Room.....	197
Plate 348. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to north from the door into the Motors/generators teaching area	198
Plate 349. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to southwest (south and west elevations) showing the booths and main door of the Motors/generators room.	198
Plate 350. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to west showing the Motors/generators room booths	199
Plate 351. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to north into the Domestic Electrics teaching area	199
Plate 352. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to north of the Domestic Electrics teaching booths	200
Plate 353. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to north of the unfinished structure in the Domestic Electrics teaching area.....	200
Plate 354. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. View to north from the linking corridor into the workshop showing the opening to Zone 5 north and offices along the east elevation.....	201
Plate 355. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. General view showing the north (right) and east elevations (left). View to northeast	201
Plate 356. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. General view showing the east (left) and south elevations (right). View to southeast.....	202
Plate 357. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. General view showing the south (right) and west elevations. View to southwest	202
Plate 358. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. General view showing the west (right) and north elevations. View to northwest.....	203
Plate 359. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. East side of the north elevation showing opening to the north area and adjacent (left) blocked doorways.	203
Plate 360. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Range of rooms along the east elevation, view to east.....	204

Plate 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. View to northwest showing the main doors and overhead ducting inside the Instructors Prep room (Office1).....	204
Plate 362. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. View showing the east elevation and overhead ducting inside the Instructors Prep room (Office1)...	205
Plate 363. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. View showing the east elevation and overhead ducting inside Office 2. Door to Office 1 on left and window with Office 3 to right.....	205
Plate 364. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Office 3, view showing the west elevation door to the workshop and window with Office 2 (right) ...	206
Plate 365. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Female Lockers room general view to east	206
Plate 366. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. CNC Pipe Bay (Classroom 7). View to southwest showing the inserted window, back of the alcove and window and door facing the workshop	207
Plate 367. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. CNC Pipe Bay (Classroom 7). View to northeast showing the north and east elevations and overhead ducting	207
Plate 368. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. View to south showing the four teaching rooms.....	208
Plate 369. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Machine Shop1 (Classroom1), view of the south elevation	208
Plate 370. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Standards Room (Precision manufacturing), view of the south elevation. Note windows intersected by later walls	209
Plate 371. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. CNC Programming (CPU controlled pipe bending), view of the south elevation showing the adapted original main doorway provided with a single door.....	209
Plate 372. Bldg. 361 Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Machine Shop 2 (Classroom 2 CNC teaching), view of the south elevation	210
Plate 373. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Machine Shop 2 (Classroom 2 CNC teaching), view of the X-frame in the west elevation. Note the window intersected by a later wall	210
Plate 374. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. West elevation showing the windows, main and single side doors	211
Plate 375. Bldg. 361 Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north general metalwork. View to north into the workshop from Zone 5 south	211
Plate 376. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View of the north elevation rooms	212
Plate 377. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View of the east elevation main partition wall with doorway to Zone 4. View to east	212
Plate 378. Bldg. 361 Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View of the east elevation main partition wall with doorway to Zone 4. View to east	213
Plate 379. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View of the south elevation rooms. View to southwest	213
Plate 380. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View of the west elevation with welding bays.....	214
Plate 381. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View of the doors to the Noisy Workshop. View to west	214
Plate 382. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Internal view to southeast of the Noisy Workshop showing window and door in the east elevation and blocked opening in the south elevation (stained).....	215

Plate 383. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Internal view to north of the curtained entrances to the northwest (left) and shot blasting rooms (right)	215
Plate 384. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Internal view of west elevation of the northwest room. The panel probably offers access to the X-frame girder behind the wall	216
Plate 385. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Internal view of north elevation of the northwest room. View to northwest	216
Plate 386. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Internal view of north elevation of the shot blasting room. Two of the four troughs can be seen on the east wall. View to northeast.....	217
Plate 387. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Hand basins between the Noisy workshop and lobby. Note blocked doorway to the Noisy workshop to left of basins. View to north	217
Plate 388. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to northwest of the Pipe Bay room with electrical cabinet.....	218
Plate 389. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to north of Basics One (classroom 5) room. Note windows intersected by partition walling	218
Plate 390. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to north of Basics Two (classroom 6) room.....	219
Plate 391. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to north of the workshop space between the Basics Two room and the main (east) partition wall between Zones 5 and 4. Note the box and tube ventilation ducting from the fan house above the floorspace	219
Plate 392. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to east of the blocked opening in the east elevation with Zone 4 northwest adjacent to the Welding classroom	220
Plate 393. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to north of the electrical cabinet adjacent to the east elevation.....	220
Plate 394. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to west of the narrow space and electrical boxes between the Welding classroom and Office 1 in Zone 5 south	221
Plate 395. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to southeast of the compressed air cylinder in the corner of the electrical cabinet room....	221
Plate 396. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to south of the opening to access the electrical boxes in the Welding room (Classroom 3) .	222
Plate 397. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to south of the blocked opening to Zone 5 south in Office 3 along the south elevation.....	222
Plate 398. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. View to northwest of the blocked opening to Sheet Metalwork room (Classroom 4) (left of scale) and door to the workshop.....	223
Plate 399. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Sheet Metalwork room (Classroom 4), view to east of the blocked opening to Office 3 partially masked by the open door.....	223
Plate 400. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Sheet Metalwork room (Classroom 4), view to northwest showing the blocked opening to the Pipe Bay (left of scale)	224
Plate 401. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Pipe Bay (Manual Pipe bending) room, view to southwest showing the unfinished ventilation piping.....	224
Plate 402. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Pipe Bay (Manual Pipe bending) room, view to northeast showing the boarded windows facing the workshop and blocked opening with the Sheet Metalwork room to right of scale	225

Plate 403. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 north, general metalwork. Pipe Bay (Manual Pipe bending) room, view to west along the short access corridor with the doors to the room on the right and a blocked doorway with the Prep area behind the scale	225

Plate 568. Bldg.371 Support Engineering Services (Bellman Hangar). North elevation internal view of original brick with concrete block on top abutted by new brick above. View to east	308
Plate 569. Bldg.371 Support Engineering Services (Bellman Hangar). West half on north elevation showing typical structural steelwork	309
Plate 570. Bldg.371 Support Engineering Services (Bellman Hangar). North elevation internal view of stanchions and cladding supported by the brick wall. View to east.....	309
Plate 571. Bldg.371 Support Engineering Services (Bellman Hangar). North elevation higher level view of stanchions and cladding supported by the brick wall. Note the wooden louvred window light on right. View to west	310
Plate 572. Bldg.371 Support Engineering Services (Bellman Hangar). North elevation view of stanchions and cladding supported by the brick wall behind the garage. View to east.....	310
Plate 573. Bldg.371 Support Engineering Services (Bellman Hangar). East elevation showing typical Bellman stanchions, trusses and bracing steelwork. View to east	311
Plate 574. Bldg.371 Support Engineering Services (Bellman Hangar). South and west elevation showing typical Bellman Hangar steelwork. View to southwest.....	311
Plate 575. Bldg.371 Support Engineering Services (Bellman Hangar). East elevation showing typical Bellman stanchion. View to northeast	312
Plate 576. Bldg.371 Support Engineering Services (Bellman Hangar). East elevation showing typical Bellman stay unit associated with the stanchion and roof. View to north	312
Plate 577 Bldg.371 Support Engineering Services (Bellman Hangar). East elevation showing typical Bellman corner unit.	313
Plate 578. Bldg.371 Support Engineering Services (Bellman Hangar). Typical Bellman roof arch stays bolted to the trusses. Note alternate single stays and paired stays	313
Plate 579. Bldg.371 Support Engineering Services (Bellman Hangar). Inserted doorway in east elevation. View to east	314
Plate 580. Bldg.371 Support Engineering Services (Bellman Hangar). Inserted doorway in west elevation. View to west	314
Plate 581. Bldg.371 Support Engineering Services (Bellman Hangar). Inserted doorway in lobby, west elevation. View to west	315
Plate 582. Bldg.371 Support Engineering Services (Bellman Hangar). Modern roller shutter door in south elevation	315
Plate 583. Bldg.371 Support Engineering Services (Bellman Hangar). Modern side door in south elevation. View to south	316
Plate 584. Bldg.371 Support Engineering Services (Bellman Hangar). Modern portacabins used as offices in north half of hangar. View to north.....	316
Plate 585. Bldg.371 Support Engineering Services (Bellman Hangar). Modern small standalone portacabin used as an in north half of hangar. View to west.....	317
Plate 586. Bldg.371 Support Engineering Services (Bellman Hangar). Modern garage workshop in northeast quadrant of hangar. View to northeast.....	317
Plate 587. Bldg.371 Support Engineering Services (Bellman Hangar). General view of the North office. View to west	318
Plate 588. Bldg.371 Support Engineering Services (Bellman Hangar). Doorway to the west lobby from the North office. View to south.....	318
Plate 589. Bldg.371 Support Engineering Services (Bellman Hangar). General view of the southern room of the West office and doorway to the standalone cabin and workshop. View to southwest.....	319
Plate 590. Bldg.371 Support Engineering Services (Bellman Hangar). General view of the West office and doorway to the second smaller room to the north. View to north	319
Plate 591. Bldg.371 Support Engineering Services (Bellman Hangar). General view of the northern room of the West office and doorway to the west lobby. View to north	320

Plate 592. Bldg.371 Support Engineering Services (Bellman Hangar). General view of the standalone cabin. View to south.....	320
Plate 593. Bldg.371 Support Engineering Services (Bellman Hangar). General view to south from the west lobby with doorway and steps to north office of the West office and alcove (right) to the north fire door on the west. View to south.....	321
Plate 594. Bldg.371 Support Engineering Services (Bellman Hangar). General view to north from the west lobby with doorway and steps to the North office and doorway to the workshop (right)	321
Plate 595. Bldg.371 Support Engineering Services (Bellman Hangar). General view to southwest from the North lobby with doors to the garage (left) and double doors to the workshop (right)	322
Plate 596. Bldg.371 Support Engineering Services (Bellman Hangar). General view to north from the North lobby to the main north elevation door (reduced in width from double doors by partition (left))	322
Plate 597. Bldg.371 Support Engineering Services (Bellman Hangar). South elevation of the garage workshop with roller shutter doors and side door. View to south	323
Plate 598. Bldg.371 Support Engineering Services (Bellman Hangar). North elevation of the garage workshop with side door to the North lobby and specialist equipment markings on wall. View to north.....	323
Plate 599. Bldg.371 Support Engineering Services (Bellman Hangar). Garage workshop floor showing outline of removed vehicle equipment. View to south	324

Building 348.

Plate 600. Bldg. 348. Ambulance garage east and north elevations. View to southwest	324
Plate 601. Bldg. 348. Ambulance garage north elevation. View to south	325
Plate 602. Bldg. 348. Ambulance garage north and west elevations. View to southeast	325
Plate 603. Bldg. 348. Ambulance garage west and south elevations. View to northeast	326
Plate 604. Bldg. 348. Ambulance garage south elevation. View to north	326
Plate 605. Bldg. 348. Ambulance garage south and east elevations. View to northwest	327
Plate 606. Bldg. 348. Internal view of ambulance garage northeast corner with the shutter doors and side door in the east elevation. View to northeast	327
Plate 607. Bldg. 348. Internal view of ambulance garage shutter doors and east half of the south elevation with flexible exhaust unit on wall. View to southeast	328
Plate 608. Bldg. 348. Internal view of ambulance garage southwest corner with door to the exterior (left) and door to the office suite (right). Loft hatch can be seen in the ceiling. View to southwest.....	328
Plate 609. Bldg. 348. Internal view of ambulance garage northwest corner with door to the exterior (left) and door to the office suite (right). Loft hatch can be seen in the ceiling. View to southwest.....	329
Plate 610. Bldg. 348. Photograph showing outline of former workshop equipment in garage floor. View to east	329
Plate 611. Bldg. 348. View to east from the garage doors	330
Plate 612. Bldg. 348. Short corridor to all rooms in office suite entrance lobby. View to north	330
Plate 613. Bldg. 348. Shower and hand basin in office suite WC. View to southwest	331
Plate 614. Bldg. 348. North window and wall of the small office room. View to north	331
Plate 615. Bldg. 348. West window and walls of the small office room. View to west.....	332
Plate 616. Bldg. 348. Kitchen facilities and door to ambulance garage workshop in the largest of the three office rooms. View to southeast.....	332
Plate 617. Bldg. 348. Door from the corridor and north facing window in the largest of the three office rooms. View to northwest	333

Building 375.

Plate 618. Bldg. 375. General view showing its setting between Bldg. 377 (left) and Bldg.361 (right). View to west	333
Plate 619. Bldg. 375. East elevation showing fire doors, windows and gable. Note ventilation pipes in the fan houses to the workshops behind to left and right. View to west.....	334

Plate 620. Bldg. 375. North elevation windows and roof. Corridor to right. View to southwest.....	334
Plate 621. Bldg. 375. South elevation windows and roof. Corridor to left. View to northwest	335
Plate 622. Bldg. 375. West elevation north side in plain brick and link to main corridor with window. Corridor to right. View to south	335
Plate 623. Bldg. 375. West elevation south side in plain brick and window in link to main corridor. Corridor to left. View to north	336
Plate 624. Bldg. 375. Main doorways to the rooms from the linking corridor to right. View to east	336
Plate 625. Bldg. 375. View to south along linking corridor to Bldg. 377. Bldg. 375 doorway on left	337
Plate 626. Bldg. 375. View north along linking corridor to Bldg. 361. Bldg. 375 doorway on right	337
Plate 627. Bldg. 375. North Crew Room (Cadet Mess). Partition and doorway to the Staff Mess on right. View to east	338
Plate 628. Bldg. 375. North Crew Room (Cadet Mess). Doorway to the corridor (left) and kitchen unit to right. View to west	338
Plate 629. Bldg. 375. South Crew Room (Staff Mess). Doorway to the Cadet Mess (left), cupboard housing water piping adjacent to the fire door and kitchen unit to right. View to east.....	339
Plate 630. Bldg. 375. South Crew Room (Staff Mess). Doorway to the corridor (right), corrugated roof and supporting beams above. View to west	339

Building 355.

Plate 631. Bldg. 355. View to northeast showing general setting. Bldg. 354 in background	340
Plate 632. Bldg. 355. North (rear) and east facing (Ladies WC) elevations. View to southwest	340
Plate 633. Bldg. 355. South (front) and east facing (Ladies WC) elevations. View to northwest	341
Plate 634. Bldg. 355. South (front) elevation and male WC entrances. View to north	341
Plate 635. Bldg. 355. South (front) elevation and west elevation. View to northeast	342
Plate 636. Bldg. 355. West male WC entrance and north elevation (left). View to west.....	342
Plate 637. Bldg. 355. 'Belfast' sink in storeroom off east entrance to main male WC. View to west	343
Plate 638. Bldg. 355. WC cubicles along north elevation in main male WC. Central partitions to left. View to northwest	343
Plate 639. Bldg. 355. Urinals and handbasins in main male WC. View to south	344
Plate 640. Bldg. 355. Handbasins along south elevation in main male WC. Centre partition to left, view to southeast.....	344
Plate 641. Bldg. 355. Handbasins and boiler on south elevation in main male WC. Partitions to right. View to west	345
Plate 642. Bldg. 355. Urinals in main male WC. View to northwest.....	345
Plate 643. Bldg. 355. Handbasins and passage to Male WC cubicles west side of building. View to north.....	346
Plate 644. Bldg. 355. Male WC cubicles on west side of building. View to north	346
Plate 645. Bldg. 355. Hand basins in male WC on west side of building. View to west	347
Plate 646. Bldg. 355. Urinals in male WC on west side of building. View to west.....	347
Plate 647. Bldg. 355. Female WC with hand basin on east side of building. View to south.....	348
