

Plate 269. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). South elevation, view to northwest

Plate 270. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). South elevation, west section, view to east

Plate 271. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation, view to northeast

Plate 272. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation, view to southeast

Plate 273. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B) roof detail. View to north with vents from Zone 5 north Prep area and Pipe Bay

Plate 274. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B) roof detail showing tiles, central gutter and roof lights. View to east

Plate 275. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B) roof detail showing tiles and roof lights. View to southeast

Plate 276. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation showing central section fan housing and ducting, and fire door inserted into a window reveal. View to south

Plate 277. Bldg. 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation showing main door to Zone 4. View to southwest

Plate 278. Bldg. 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). East elevation showing spiral staircase and door to second storey Classroom 1. View to west

Plate 279. Bldg. 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation central section showing glass block windows over the modern bay. View to west

Plate 280. Bldg. 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation central section showing main doors to Zone 4 in blocked in hangar opening under the canopy. Modern door to GSE Support Bay to left. View to west

Plate 281. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). North elevation north section showing access ladder to the roof and modern Battery Shop buildings abutting the original elevation. View to west

Plate 282. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). South elevation east side showing main door to Zone 4, windows and fan house and ducting to left

Plate 283. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). South elevation showing blocked windows and a new window to the CNC Pipe Bay (Classroom 7) in Zone 5

Plate 284. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). South elevation west side showing blocked original doorway under the canopy and a new door to the CNC Programming room in Zone 5. View to east

Plate 285. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation central and south sections. Note the infilled original window enlarged to ground level and fitted with a single door and the ladder to the roof between the windows. View to east

Plate 286. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation central section main doors to Zone 5 north (left) and Zone 5 south (right). Note the glass block windows in the blocked hangar opening and two infilled window openings between them and newer door to right in an original window position. View to east

Plate 287. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation, north section showing adapted window frames and infilled doorway. View to east

Plate 288. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). West elevation, north section showing adapted windows and external bays. View to east

Plate 289. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. View to northwest showing general west elevation with flight control room and north elevation Lab and Crew rooms

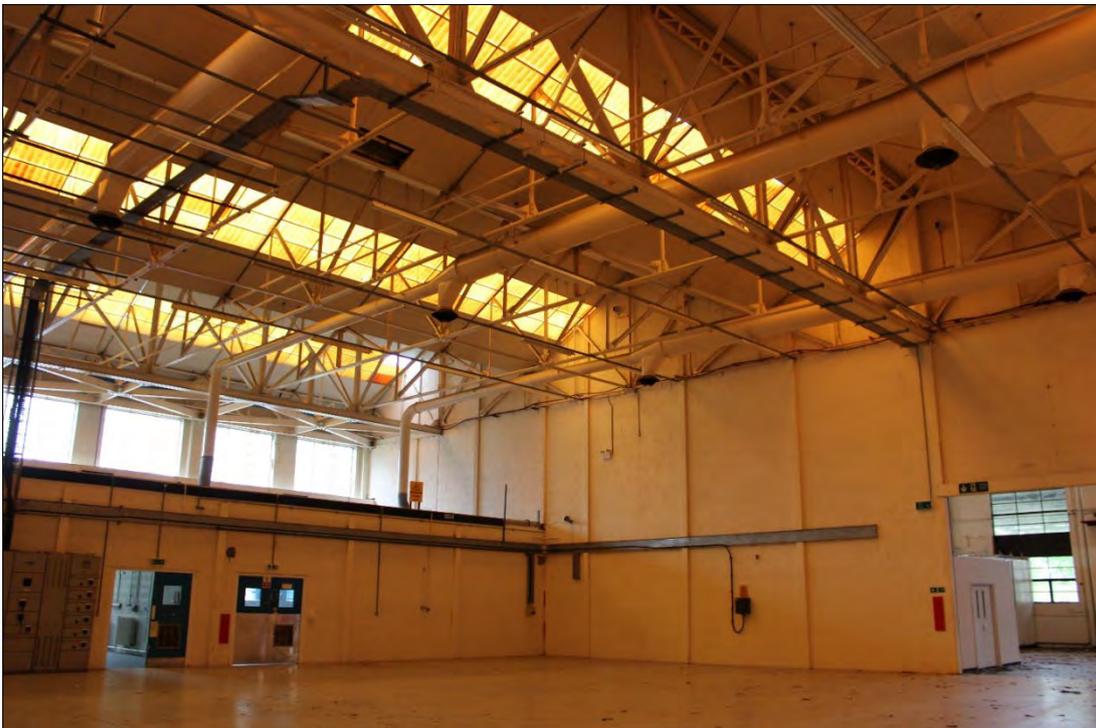

Plate 290. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. View to northeast showing general north and east elevations

Plate 291. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. View to southeast showing main door to Zone 4 general east and booths along the south elevation

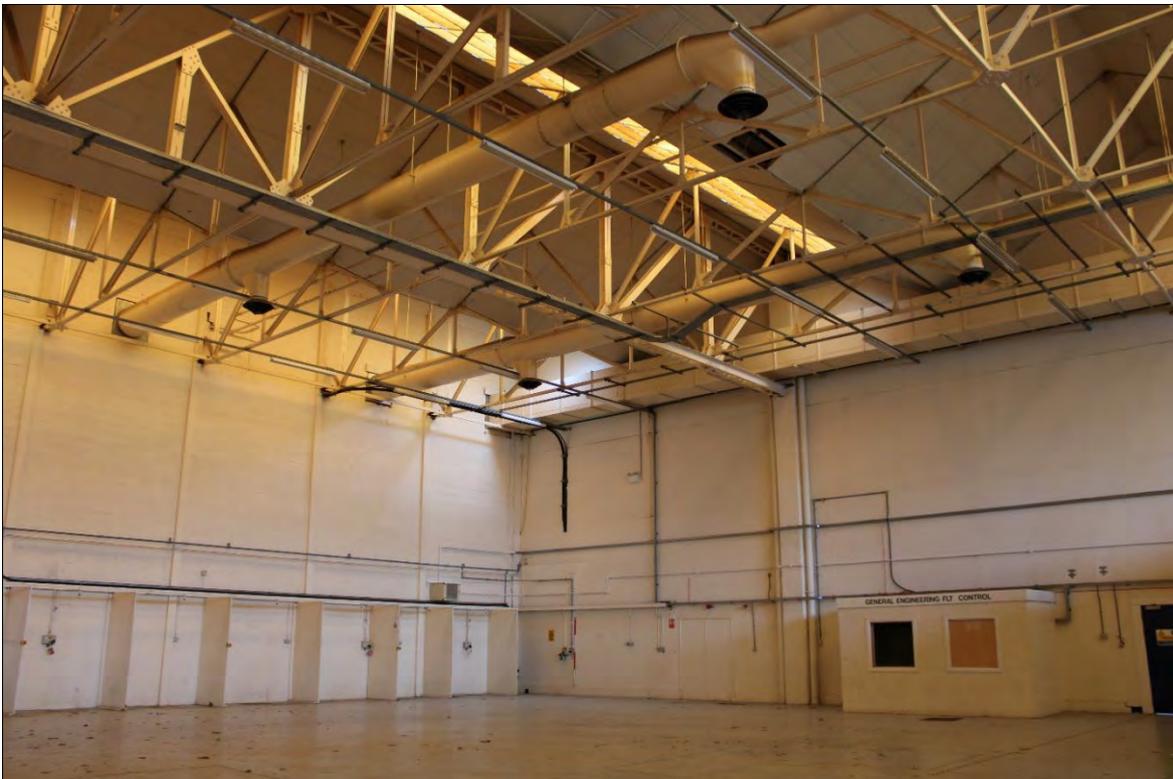

Plate 292. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. View to southeast showing general east and booths along the south elevations

Plate 293. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. View to southwest showing blocked doorway to Zone 5 north and brick pier alongside scale

Plate 294. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. Lab room showing radiators, view to east

Plate 295. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. Lab room showing north elevation windows, later fire door and ventilation hoses, view to northwest

Plate 296. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northwest General Engineering Flight Control. Crew room showing kitchen facility along east elevation. View to east

Plate 297. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. General view of offices to north

Plate 298. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. General view of office B (left) lobby centre and Office C (right). View to north

Plate 299. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. General view of office A with main door to hangar and view of the east elevation entrance door. View to southeast

Plate 300. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. General view of office B. View to north

Plate 301. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. General view of Male WCs along west elevation

Plate 302. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Entrance lobby, view to east and sliding window to Office C

Plate 303. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Entrance lobby view to south and the workshop

Plate 304. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Entrance lobby view to west and door to disabled WC

Plate 305. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. View to west of disabled WC

Plate 306. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office C, view to west showing sliding window to the lobby, angled corner and door to the workshop

Plate 307. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office C, view to east showing electrical fittings. The northeast corner X-frame lies behind the wall

Plate 308. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office D entrance, view to east

Plate 309. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office D general view of east elevation. View to east

Plate 310. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office E door, view to east. EWTF TRG MGR ELECT above door

Plate 311. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office E door, view to east with boarded hatch to Office F

Plate 312. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office F door, view to east

Plate 313. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 northeast. Office F door, view to north with boarded hatch to Office E

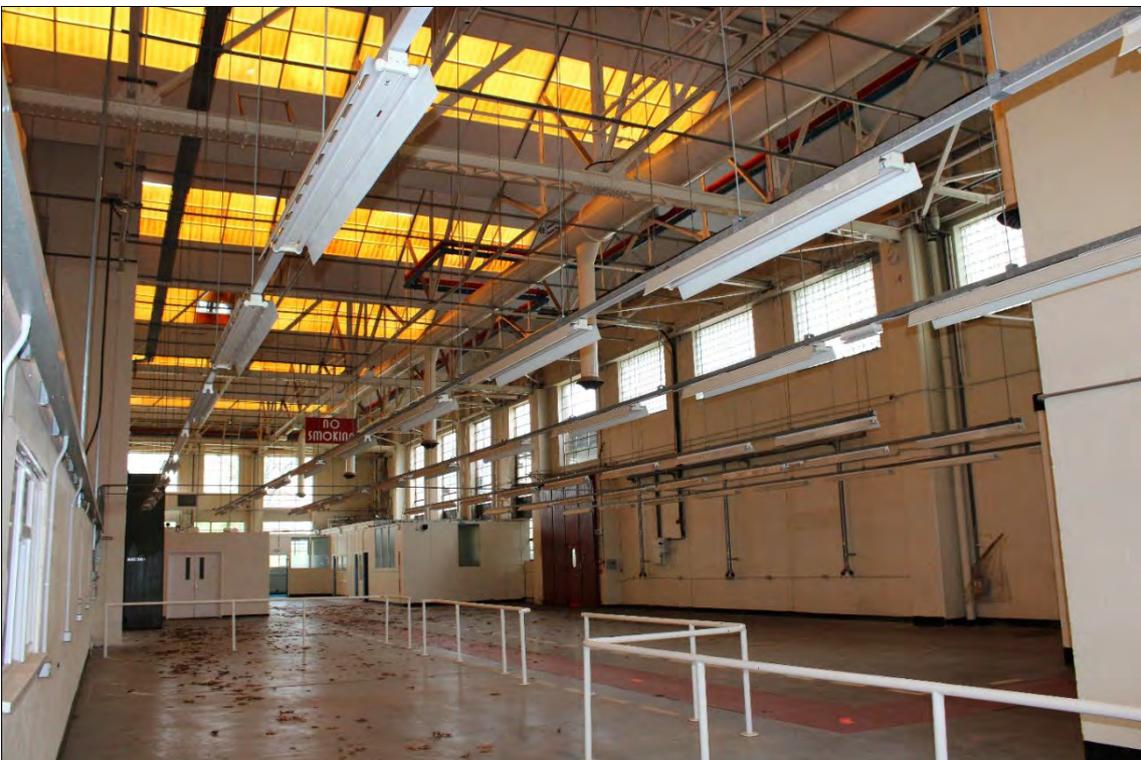

Plate 314. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Overall view of Zone 4 central section showing east elevation main doors and floorspace. View to northeast.

Plate 315. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast, view to south

Plate 316. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast, office two storey classroom block and door to lobby anteroom

Plate 317. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast. View south under stairwell

Plate 318. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast anteroom with doors to Classroom 2 and the Power room. View to east

Plate 319. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room passage. View to east

Plate 320. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast stairs to Classroom 1. Classroom 2 door on right. View to north

Plate 321. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast lobby doors. View to southeast

Plate 322. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room with X-frame bracing on east wall. View to east

Plate 323. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room electrical boxes. View to south

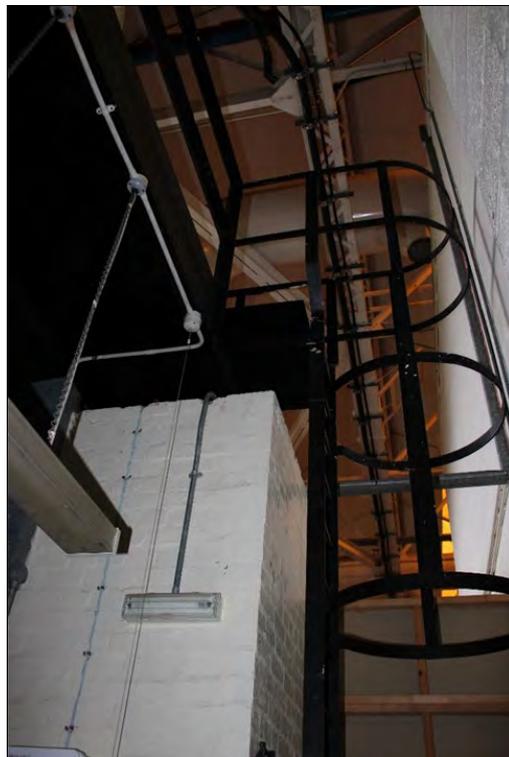

Plate 324. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room ladder to gantry. View to west

Plate 325. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room gantry showing electrical motors and piping and centre of X-frame. View to southeast

Plate 326. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Power room gantry, view to west from gantry over the offices and training areas

Plate 327. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast storeroom. View to south (south elevation wall)

Plate 328. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Classroom 2.  
View to northeast

Plate 329. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Classroom 2.  
View to southeast

Plate 330. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Classroom 1 and fire door to spiral staircase. View to southeast

Plate 331. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southeast Classroom 1 view of west wall and door to box room over the stairs. View to west

Plate 332. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Passage between classrooms 3-5 (left) and workshops (right). View to west

Plate 333. Bldg. 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Passage) to the Instrument Testing Room with offices H and G (left) and Motors/generators workshop wall to right. View to north

Plate 334. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom 3 south and west elevations. View to southwest

Plate 335. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom 4 south and west elevations. View to southwest

Plate 336. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom 5 east half of room. View to east

Plate 337. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom 5 view to west. Blocked doorway with Office H adjacent to the corner (right)

Plate 338. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Office H view to south showing blocked doorway with Classroom 5

Plate 339. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Office G, view to south

Plate 340. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Office G, view to north

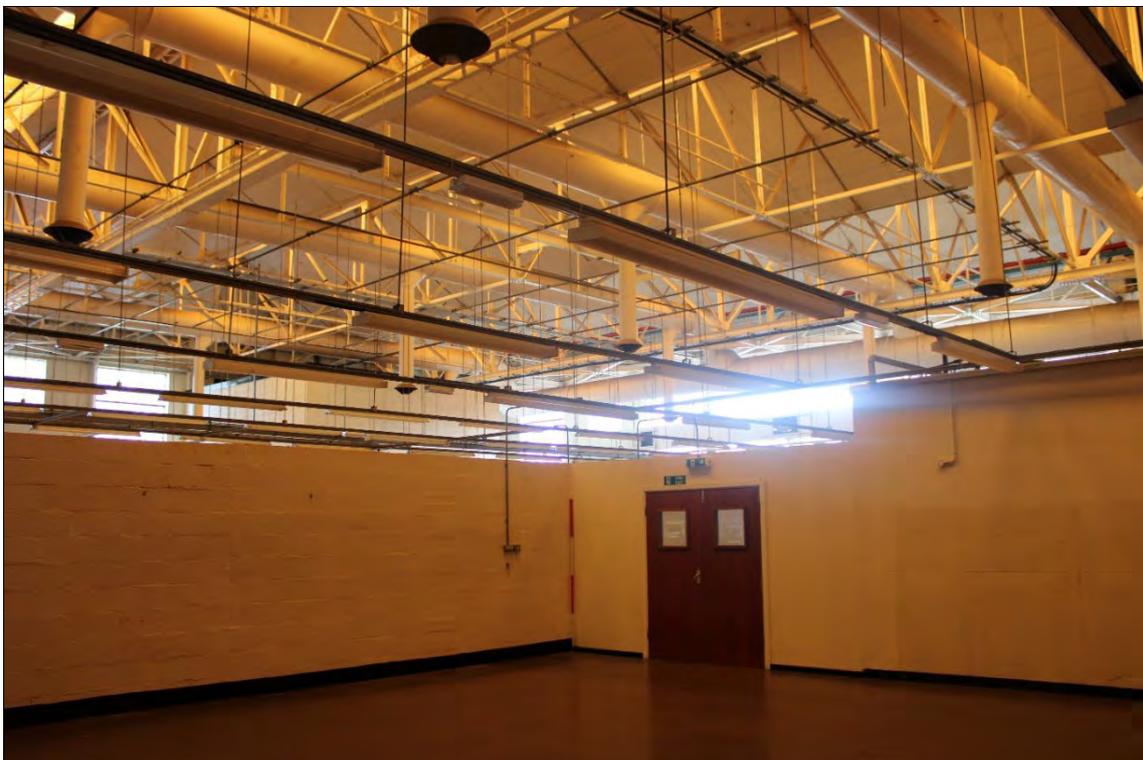

Plate 341. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Instrument Testing Room, view to southeast showing double doors from the south passageway. Office G to right

Plate 342. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Instrument Testing Room, view to southwest with Office G wall (left) and the west elevation (right) the main north-south partition wall

Plate 343. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Instrument Testing Room, view to northwest with main partition wall (left) and wall with Zone 4 northwest (right). The brick pier shared with Zone 5 visible to left of scale partition

Plate 344. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Instrument Testing Room, view to northeast showing doorway to the Classroom Office and partition wall with Zone 4 northwest

Plate 345. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom Office view of east elevation and main doors

Plate 346. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom Office view of south and west elevations. View to southwest

Plate 347. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. Classroom Office view of west elevation and door to Instrument Testing Room

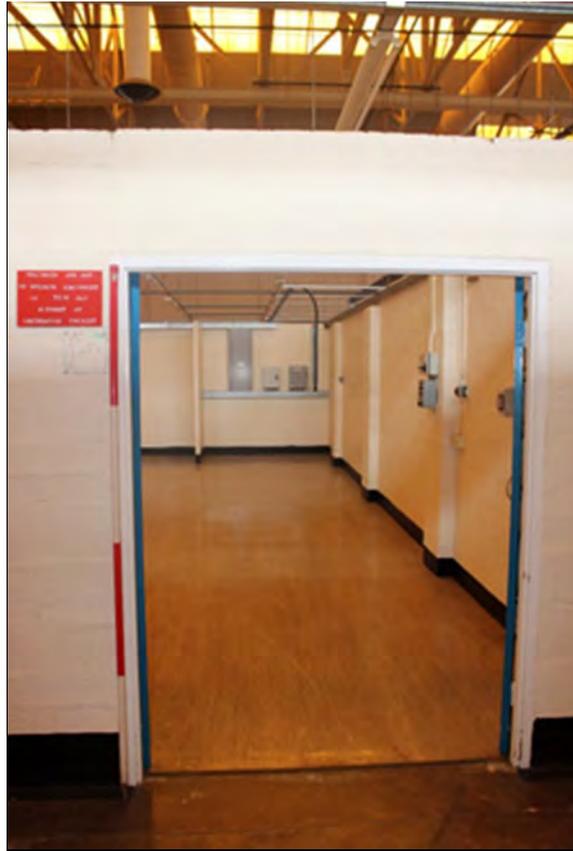

Plate 348. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to north from the door into the Motors/generators teaching area

Plate 349. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to southwest (south and west elevations) showing the booths and main door of the Motors/generators room

Plate 350. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to west showing the Motors/generators room booths

Plate 351. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to north into the Domestic Electrics teaching area

Plate 352. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to north of the Domestic Electrics teaching booths

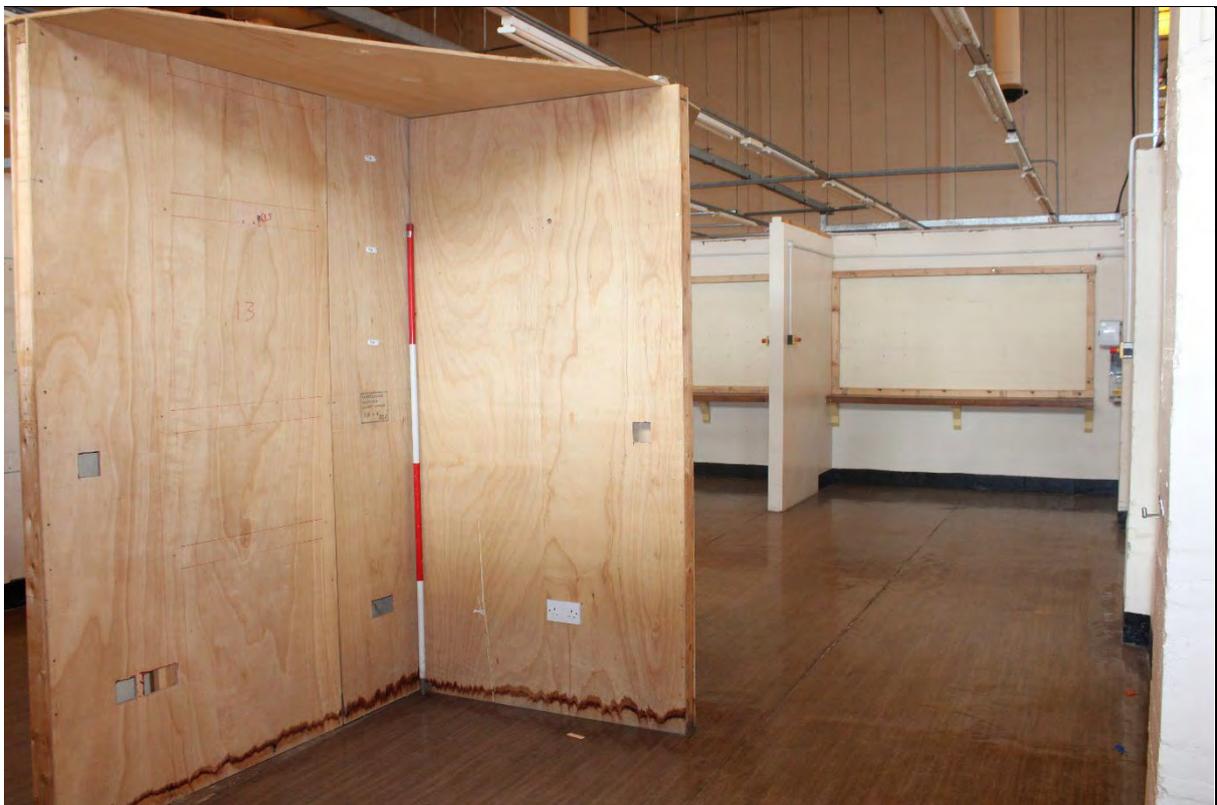

Plate 353. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 4 southwest. View to north of the unfinished structure in the Domestic Electrics teaching area

Plate 354. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. View to north from the linking corridor into the workshop showing the opening to Zone 5 north and offices along the east elevation

Plate 355. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. General view showing the north (right) and east elevations (left). View to northeast

Plate 356. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. General view showing the east (left) and south elevations (right). View to southeast

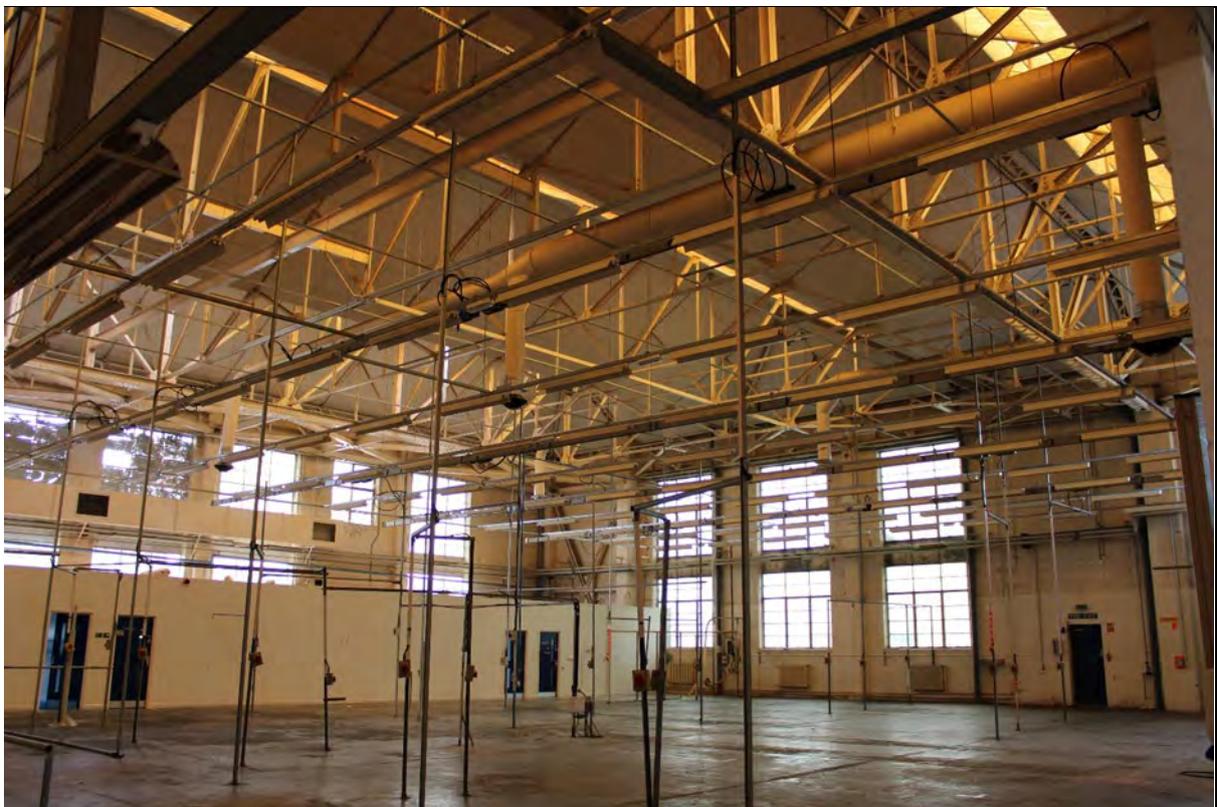

Plate 357. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. General view showing the south (right) and west elevations. View to southwest

Plate 358. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. General view showing the west (right) and north elevations. View to northwest

Plate 359. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. East side of the north elevation showing opening to the north area and adjacent (left) blocked doorways.

Plate 360. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Range of rooms along the east elevation, view to east

Plate 361. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. View to northwest showing the main doors and overhead ducting inside the Instructors Prep room (Office1)

Plate 362. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. View showing the east elevation and overhead ducting inside the Instructors Prep room (Office 1)

Plate 363. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. View showing the east elevation and overhead ducting inside Office 2. Door to Office 1 on left and window with Office 3 to right

Plate 364. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Office 3, view showing the west elevation door to the workshop and window with Office 2 (right)

Plate 365. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Female Lockers room general view to east

Plate 366. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. CNC Pipe Bay (Classroom 7). View to southwest showing the inserted window, back of the alcove and window and door facing the workshop

Plate 367. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. CNC Pipe Bay (Classroom 7). View to northeast showing the north and east elevations and overhead ducting

Plate 368. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. View to south showing the four teaching rooms

Plate 369. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Machine Shop1 (Classroom1), view of the south elevation

Plate 370. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Standards Room (Precision manufacturing), view of the south elevation. Note windows intersected by later walls

Plate 371. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. CNC Programming (CPU controlled pipe bending), view of the south elevation showing the adapted original main doorway provided with a single door.

Plate 372. Bldg. 361 Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Machine Shop 2 (Classroom 2 CNC teaching), view of the south elevation

Plate 373. Bldg. 361. Workshops Training Flight (361A), EETF Workshop (361B). Zone 5 south, Lathes and Milling. Machine Shop 2 (Classroom 2 CNC teaching), view of the X-frame in the west elevation. Note the window intersected by a later wall
