

Plate 472. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. General view of west and north elevations. View to northwest

Plate 473. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. General view of workshop north and east elevations. View to northeast

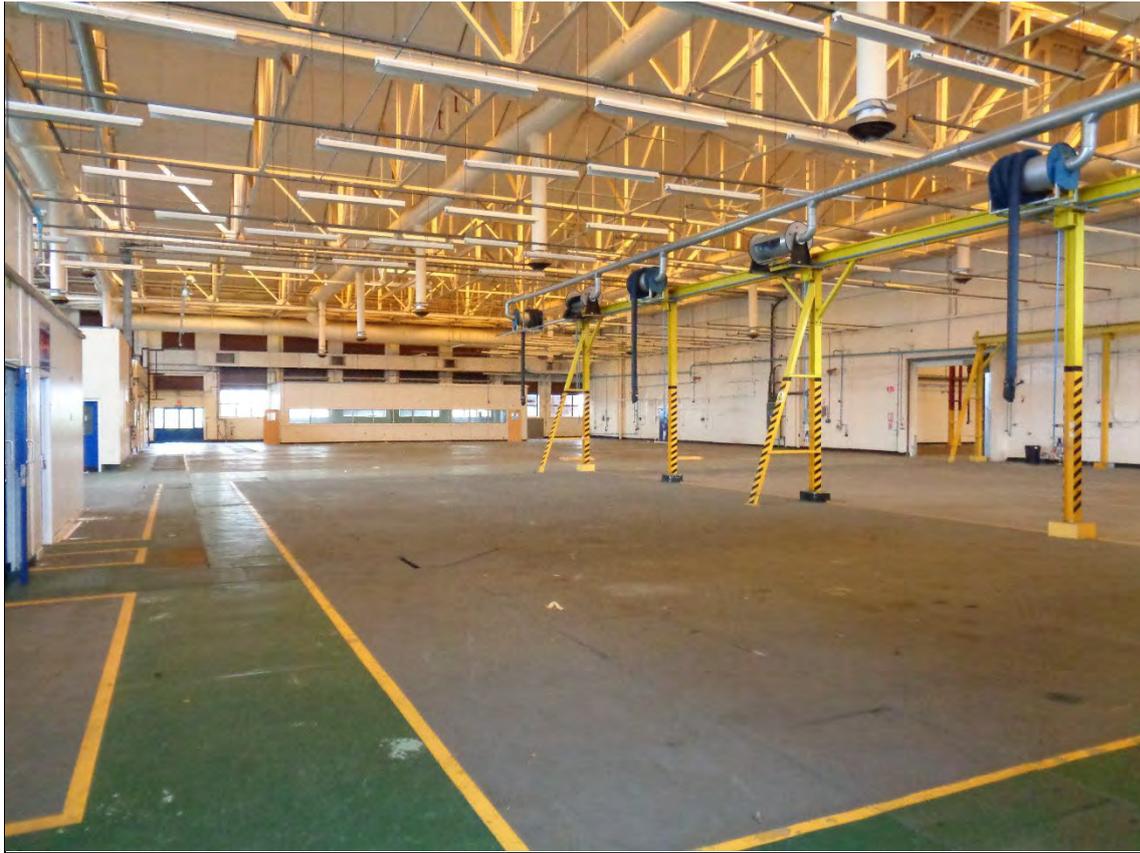

Plate 474. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. General view of workshop south and west elevations

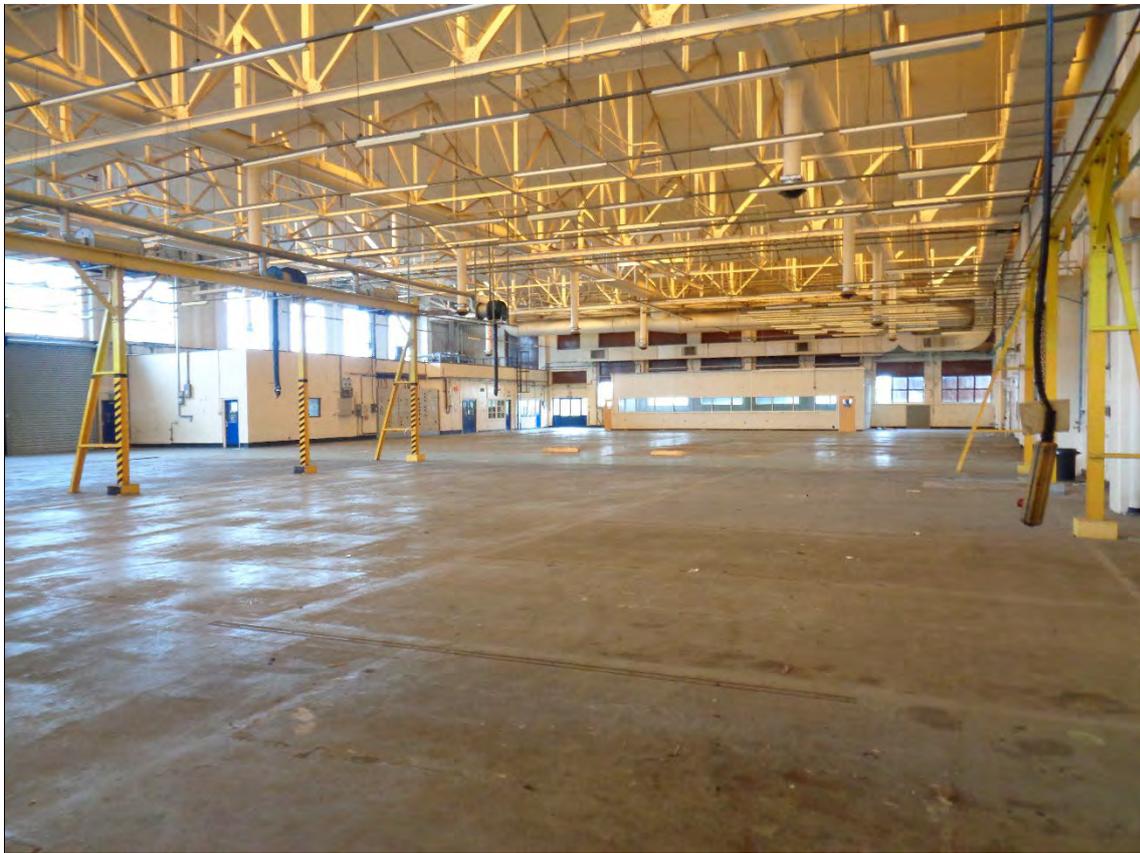

Plate 475. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. General view of workshop south and east elevations.

Plate 476. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. General view of workshop north elevation

Plate 477. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of north elevation storeroom. View to north

Plate 478. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of male WCs. View to northwest

Plate 479. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of male WCs. View to east

Plate 480 A. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of small storeroom. View to north

Plate 481 B. Plate 482. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of female WCs. View to west

Plate 483. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of kitchen room north of female WCs. View to south

Plate 484. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of kitchen room north of female WCs and door inserted into window opening. View to north

Plate 485. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of small shower room. View to southwest

Plate 486. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of kitchen area adjacent to Office 12. View to southwest

Plate 487. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of Office 12 with opening to the kitchen (right). View to southwest

Plate 488. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of Office 12 with opening to the kitchen (left), door inserted into the window and a standard window. View to northwest

Plate 489. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of Office 12 with opening to Office 13. View to northeast

Plate 490. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of Office 13 with opening to Office 12. View to northwest

Plate 491. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2. North elevation rooms, general view of large storeroom. Classrooms of the east elevation to right. View to northeast

Plate 492. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 lobby doors between north and east rooms. View to north

Plate 493. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 lobby. View to north Bldg 361 in background

Plate 494. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation general view of the north range.

Plate 495. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation north range Office 14 south elevation. The angle between the walls on the left is a blocked window position

Plate 496. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation north range Office 14 north and east (right) elevations. A vertical X-frame lies behind the east elevation wall

Plate 497. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation north range Office 15 view to east

Plate 498. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation north range store with door to Classroom 1 on right. View to east

Plate 499. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation north range Classroom 1 with door to the adjacent store. View to northeast

Plate 500. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation north range Classroom 2. View to east

Plate 501. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation main roller shutter and single doors between the ranges. View to east

Plate 502. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices. View to southeast

Plate 503. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices 17 and 19. View to southeast

Plate 504. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices refrigeration area. View to northeast

Plate 505. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices refrigeration area.
View to southeast

Plate 506. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices refrigeration area.
View to southwest

Plate 507. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices Classroom 3 with small internal Office 16. Door to Office 18 to right. View to southeast

Plate 508. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices Classroom 3 with small internal Office 16. View to northeast

Plate 509. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices Classroom 3 showing single door to Office 17 and double doors to workshop. View to southwest

Plate 510. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices Office 18. View to southeast

Plate 511. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices Office 17 and door to Classroom 3. View to northwest

Plate 512. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices Office 19. View to east

Plate 513. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 east elevation south range offices Office 19. View to west

Plate 514. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 south elevation main entrance and Training Aids classroom (right). Note large electrical cabinet on left. View to south

Plate 515. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 south elevation Training Aids classroom. View to south

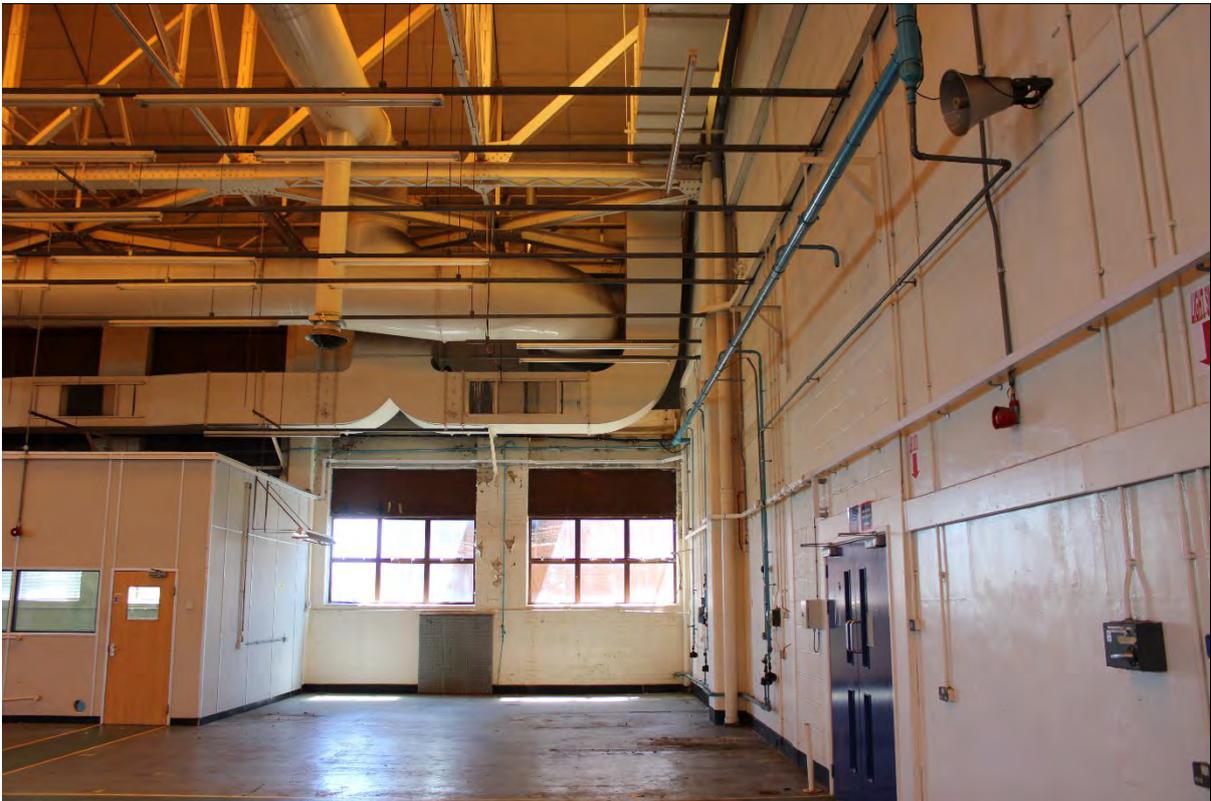

Plate 516. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 south elevation Tyre changing and Balancing area. View to south

Plate 517. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 south elevation Training Aids classroom. View to west

Plate 518. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 south elevation Training Aids classroom. View to east

Plate 519. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 west elevation, doors to Zone 3 corridor and blocked openings to Zone 3 Classroom 5 and Zone 1 (right). View to west

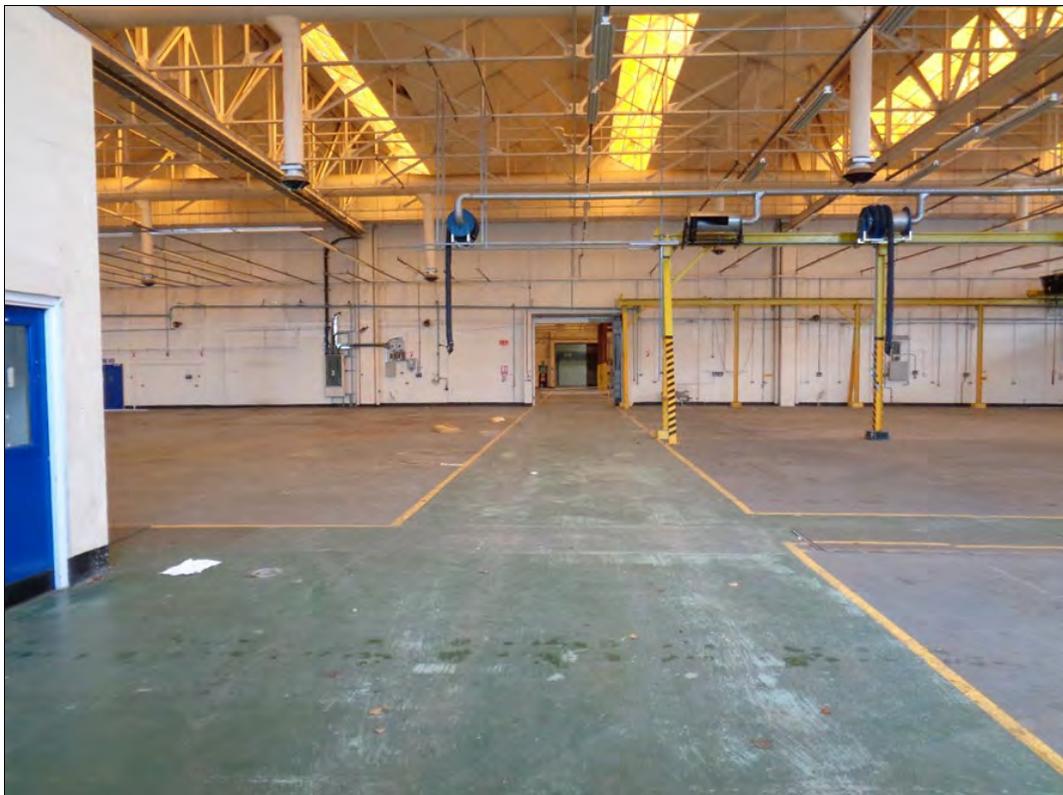

Plate 520 Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 west elevation, main access through building to Zone 2. View to west

Plate 521. Bldg.377 Mech. Eng. Trg. Workshop. Zone 2 west elevation, blocked opening to Zone 3 Classroom 5 and Zone 1. View to west

Plate 522. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 corridor view to east. Classrooms 5-8 on left, rooms 2-4 on right

Plate 523. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 corridor view to west. Classrooms 10 and storeroom on left, and door to vehicle bay back room

Plate 524. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 corridor view to west. Classrooms 10 and storeroom on right, and door to corridor eastward to Zone 2

Plate 525. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 Classroom 5. Blocked openings in east wall with Zone 2. View to northeast

Plate 526. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 Classroom 6. Blocked openings in north wall with Zone 1. View to northwest

Plate 527. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 Classroom 7. Blocked openings in north wall with Zone 1. View to northeast

Plate 528. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 Classroom 8. Blocked openings in north and west walls with Zone 1. View to northwest

Plate 529. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 Pneu Lab 2, view to south with door to HYD Lab 3 to right

Plate 530. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 HYD Lab 3 with door to Pneu Lab 2 (left), view to south

Plate 531. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 Classroom 4, view to south

Plate 532. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 Classroom 9, view to north

Plate 533. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 Classroom 9, view to south

Plate 534. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 Classroom10, blocked original main doorway. View to north

Plate 535. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3 Classroom10, door to corridor and blocked opening to right. View to north

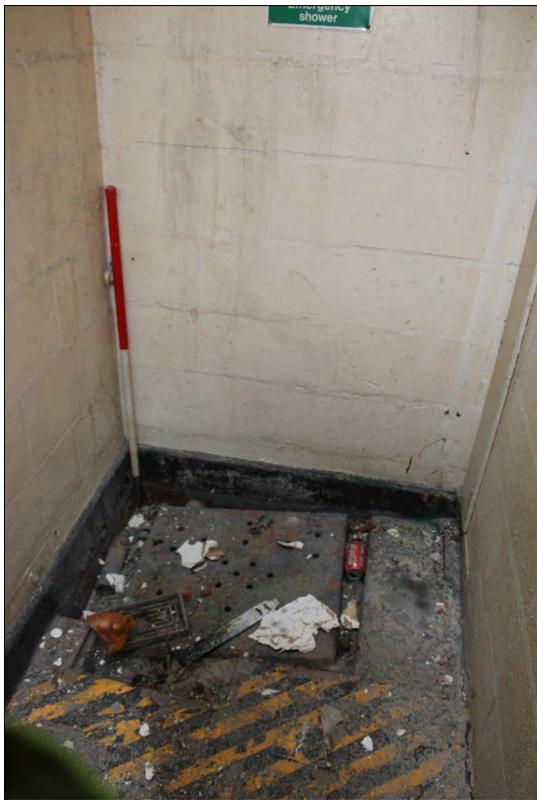

Plate 536. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3, emergency shower room boarded off from Classroom10. View to west

Plate 537. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3, spiral staircase to upper storey boarded off from Classroom10. View to west

Plate 538. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3, spiral staircase to upper storey from Classroom10. View to west

Plate 539. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3, second storey crew room. View to west

Plate 540. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3, second storey crew room. View to north with door seen from Zone 1

Plate 541. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3, second storey crew room. View to east with two windows overlooking the roof of the corridor and classrooms

Plate 542. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3, second storey crew room entrance door from staircase. View to east

Plate 543. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3, second storey crew room. View to north over Zone 1 workshop

Plate 544. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3, second storey crew room. View to east from the doorway over the roof of the corridor and classrooms. The blocked openings in Zone 2 and Classroom 5 can be seen in the back wall

Plate 543. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3. South elevation of the storeroom showing doorway with flanking pillars and downpipe and vertical X-frame steelwork. View to south

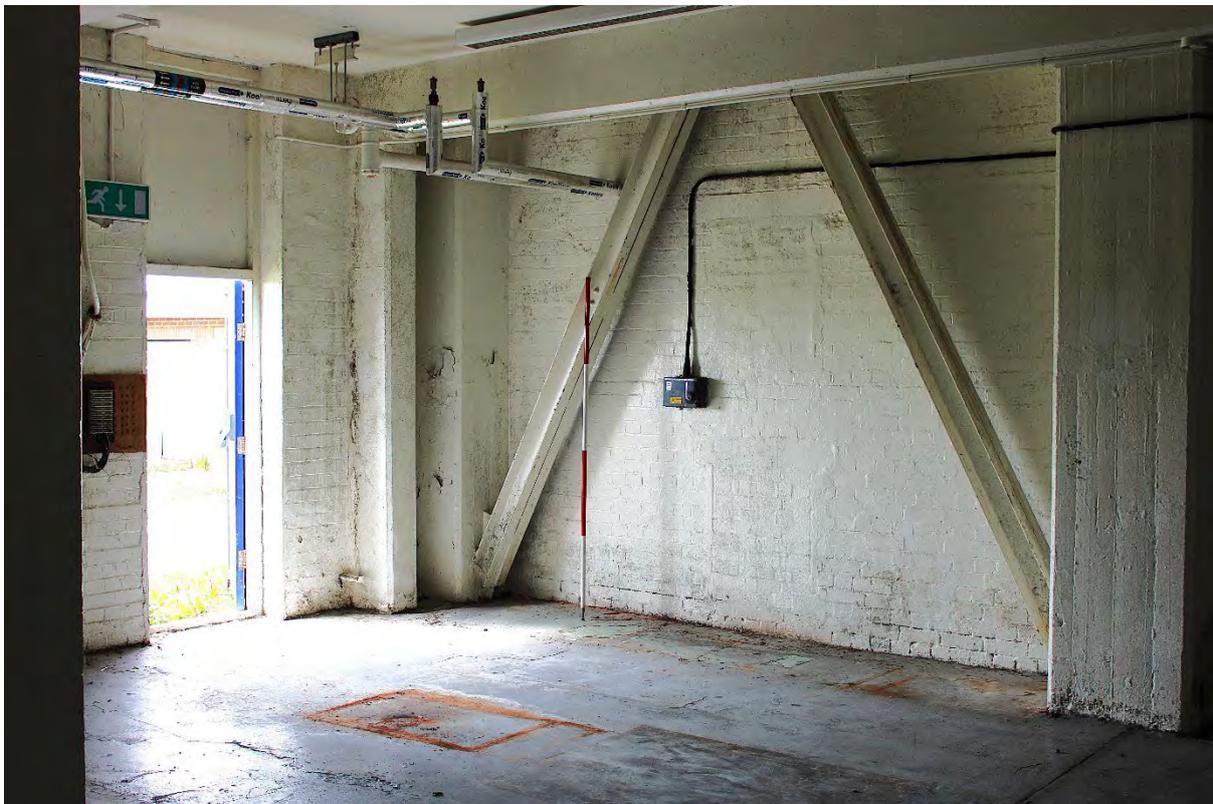

Plate 544. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3. West elevation of the storeroom showing vertical X-frame steelwork and blocked openings within the frame legs. View to southwest

Plate 545. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3. Corner of the storeroom (west and north elevations). View to northwest

Plate 546. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3. North elevation. To right of the door is the partition wall with the shower room in Classroom 10. View to north

Plate 547. Bldg.377 Mech. Eng. Trg. Workshop. Zone 3. East elevation. To left is the partition wall with the spiral staircase, and blocked opening in the recess from Classroom 10. View to southeast

Plate 548. Bldg. 377 Zone 4 garage view to north

Plate 549. Bldg. 377 Zone 4. Garage, view to northeast showing main doors to Zone 1 workshop

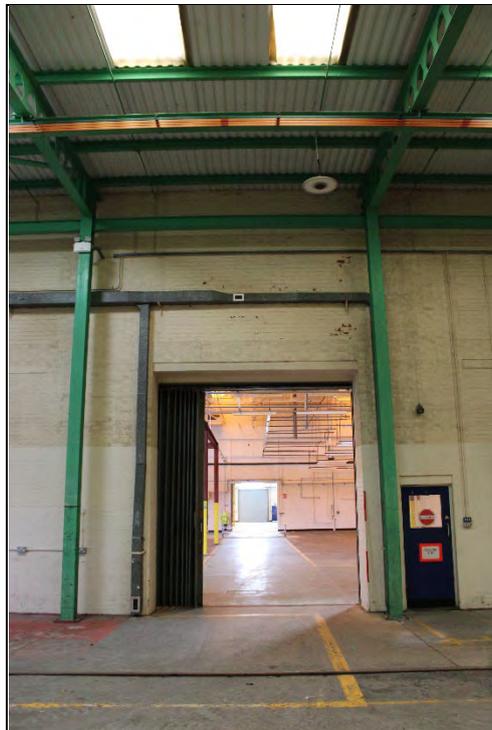

Plate 550. Bldg. 377 Zone 4 Garage, view to east through Zone 1 to the roller doors in the east elevation

Plate 551. Bldg. 377 Zone 4. Garage, view to south showing large, blocked opening with inserted double doors and travelling crane

Plate 552. Bldg. 377 Zone 4. Garage rear room. Spiral staircase to second storey

Plate 553. Bldg. 377 Zone 4 Garage. Second storey room view to northeast

Plate 554. Bldg. 377 Zone 4. Garage second storey room view southeast

Plate 555. Bldg. 377 Zone 4. Garage, second storey room, view to west with entrance door from spiral staircase

Plate 556. Bldg.371 Support Engineering Services (Bellman Hangar). North (right) and east elevations. View to southwest

Plate 557. Bldg.371 Support Engineering Services (Bellman Hangar). East elevation. View to west

Plate 558. Bldg.371 Support Engineering Services (Bellman Hangar). Replacement doors and cladding of the south elevation. View to north

Plate 559. Bldg.371 Support Engineering Services (Bellman Hangar). West elevation. View to southeast

Plate 560. Bldg.371 Support Engineering Services (Bellman Hangar). Rear doorway in north elevation. Note new and old brickwork (left and right) supporting internal stanchions. View to south

Plate 561. Bldg.371 Support Engineering Services (Bellman Hangar). Side doorway (south) in west elevation inserted between lights. View to east

Plate 562. Bldg.371 Support Engineering Services (Bellman Hangar). Side doorway (north) in west elevation inserted between lights. View to east

Plate 563. Bldg.371 Support Engineering Services (Bellman Hangar). Side doorway in east elevation inserted between lights. View to west

Plate 564. Bldg.371 Support Engineering Services (Bellman Hangar). Wooden framed, shorter length metal panel blocked light in west elevation. View to east

Plate 565. Bldg.371 Support Engineering Services (Bellman Hangar). South elevation modern replacement roller door and side door to the hangar. View to north

Plate 566. Bldg.371 Support Engineering Services (Bellman Hangar). Internal view to north of the hangar space. Note roof lights in replacement roof

Plate 567. Bldg.371 Support Engineering Services (Bellman Hangar). Internal view to south and main door of the hangar space. Note roof lights in replacement roof

Plate 568. Bldg.371 Support Engineering Services (Bellman Hangar). North elevation internal view of original brick with concrete block on top abutted by new brick above. View to east

Plate 569. Bldg.371 Support Engineering Services (Bellman Hangar). West half on north elevation showing typical structural steelwork

Plate 570. Bldg.371 Support Engineering Services (Bellman Hangar). North elevation internal view of stanchions and cladding supported by the brick wall. View to east

Plate 571. Bldg.371 Support Engineering Services (Bellman Hangar). North elevation higher level view of stanchions and cladding supported by the brick wall. Note the wooden louvred window light on right. View to west

Plate 572. Bldg.371 Support Engineering Services (Bellman Hangar). North elevation view of stanchions and cladding supported by the brick wall behind the garage. View to east

Plate 573. Bldg.371 Support Engineering Services (Bellman Hangar). East elevation showing typical Bellman stanchions, trusses and bracing steelwork. View to east

Plate 574. Bldg.371 Support Engineering Services (Bellman Hangar). South and west elevation showing typical Bellman Hangar steelwork. View to southwest
